GRADUATION WITH SPECIAL HONORS
(Bachelor Degree Candidates Only)

Scholastic honors represent the highest form of recognition that can be bestowed upon a student by a university. As a means of acknowledging the efforts and accomplishments of students whose scholastic performance is most worthy, Northwestern State University is pleased to grant special distinction to graduating seniors who meet or surpass the standards described below.

Students who have an overall grade point average of at least 3.50 and through 3.699 will be recognized as graduating cum laude. Those with a grade point average of at least 3.70 and through 3.899 will graduate magna cum laude. Those with a grade point average of 3.90 or higher will graduate summa cum laude.

1. All grades earned, including all grades earned in repeated courses, are used in computing eligibility for Special Honors. That is, grades for repeated courses have to be added back into totals and recalculated into the grade point average.

2. Students will be eligible for academic honors as justified by the entire academic record, which includes courses taken prior to the declaration of Academic Bankruptcy.

3. Special exams and CLEP hours cannot be used in computing eligibility for special honors, nor can they be used to reduce residency requirements.

Students graduating with Special Honors (e.g. cum laude, magna cum laude, and summa cum laude) are recognized at commencement in the following ways: name printed in the commencement program, wear medallion that will be provided at the ceremony, honor noted on diploma, and recognized by group during the ceremony. Please stand to be recognized as the name of your special honor group is defined and announced by the Provost and Vice President for Academic and Student Affairs. Be seated after your group is recognized.

When you go across the stage to receive your diploma cover, your academic dean will read the following from your commencement card: name, special honor, and GPA (for 4.0 only). These items will be read according to the following guidelines:

1. Students graduating with the highest GPA within each college and a perfect 4.0 GPA: Academic dean will read name, special honor, GPA, and indicate that these students are graduating with the highest GPA within that college.

2. Students graduating with the highest GPA within each college and have less than a 4.0 GPA: Academic dean will read name, special honor, and indicate that these students are graduating with the highest GPA within that college.

3. Students graduating with Special Honors: Deans will read name of student and special honor.

SUMMA CUM LAUDE: IMPORTANT NOTE - PICTURES

Student’s graduating summa cum laude (cumulative GPA 3.90 or higher) must report to the coliseum on time to receive their medallions and take pictures before the ceremony. Please report promptly to the coliseum at 9:00 AM, or 2:00 PM, to receive your medallion; then, go immediately to the N’Club Room at the front of the coliseum for pictures. You must be on time to have your picture taken with President Webb.
There is no practice for commencement. Please read and carefully follow these instructions. Please keep these instructions for future reference and review before the ceremony.

1. CAPS AND GOWNS: When you purchase your cap and gown, be sure to specify the type of degree you are receiving, your major, and college. Undergraduate students must purchase color cords representing their college. Graduate students must purchase a hood to wear with the gown. Be sure to secure collars with thread or pins, and your cap with hairpins. Graduate students who need help putting the hood on should arrive at their assigned area in the coliseum promptly at the time designated to allow time for someone to assist them.

2. COMMENCEMENT CARDS: A commencement card with your name and address on it will be given to you when you report to your college at the coliseum. Please complete the information on the reverse side of the card for photographer identification purposes. Write the phonetic spelling of your name on the front as indicated if your name has ever been mispronounced. If you are receiving special honors (summa cum laude, magna cum laude, or cum laude), this information will be printed on your card. You must have the card to go across the stage. This is used to read your name as you cross the stage.

3. LINING UP: Standards will be placed in the concourse areas of the coliseum. You will be lined up by rows within your college. Each new row starts at a standard when lining up. The first person of each row will line up first behind a standard; the last person of a row will line up last. There will be staff members (in purple NSU shirts) to assist at each college.

4. HIGHEST GPA’S (Bachelor Degree Candidates only): The student with the highest GPA from each undergraduate college will lead their respective college into the coliseum and will sit on stage during the ceremony. As soon as you are told you are the highest GPA, please report to the staff member at the front doors entering the arena floor. You will be given directions at this time.

5. SPECIAL HONORS (Bachelor Degree Candidates only): Students who are graduating with special honors (summa, magna, and cum laude) will be given a medallion with instructions when reporting to your college line-up area at the coliseum. Students graduating summa cum laude must report promptly to the N’Club Room located at the front of Prather Coliseum at 9:00 AM or 2:00 PM to take pictures before the ceremony. **YOU MUST BE ON TIME TO HAVE YOUR PICTURE TAKEN WITH PRESIDENT WEBB (summa cum laude only).**

6. PROCESIONAL INTO COLISEUM: Ushers will lead the students following the faculty. When you reach your row of chairs inside the coliseum, be sure to move down your row to allow room for everyone to fill the row. The first person behind a standard should go all the way to the outside seat of the row; the last person will take the last inside seat of the row. Do not skip chairs. Please follow the directions of the ushers helping you.

7. COMMENCEMENT PROGRAM: A commencement program will be placed in your chair. Please note that an asterisk is listed in the program beside the names of honor roll undergraduate students with a cumulative 3.0 or higher GPA and graduate students with a 4.0 GPA in their degree program. Please stand as a group when asked to do so by the Provost and Vice President for Academic and Student Affairs.

8. GRADUATE STUDENTS: Specialist degree candidates will be the first ones to go across the stage. Master degree candidates must pause at the ramp until the Graduate Dean has finished calling all specialist degree candidates. Be sure to take your commencement card to stage with you.
9. **UNDERGRADUATE STUDENTS:** You will be escorted to the stage by an usher. Be sure to take your commencement card with you when you go to the stage. You must present the card to the person assisting your academic dean as you come up to the podium. The card will be used to call out your name and any special honors you have received.

When you are escorted to the stage, the **first person in line for a college must stop at the bottom of the ramp to the stage.** When the emcee announces the dean to be presenting diplomas, go immediately up the ramp to the stage. Allow the student with the highest GPA within your college to take his/her place in front of the first person in the line. There will be a photographer on stage to take a picture of you shaking Dr. Webb’s hand. A photographer will also take a picture of each graduate at the bottom of the stage ramp when you exit the stage. Please watch for their directions when you exit the stage as this moves very quickly. Be seated when you return to your chair.

10. **DIPLOMA COVER:** When you cross the stage, you will be handed an empty diploma cover. Your diploma was mailed to you in August. Please leave the cover in your chair when you leave the coliseum.

11. **RECESSIONAL:** The stage party will exit the coliseum first. Following the stage party, a Purple Jacket and Blue Key member will lead the graduates from the auditorium beginning at the front of the candidate seating. Please follow the leader to the concourse area where you lined up and exit the coliseum through the side doors.

12. **COMMENCEMENT VIDEO:** A video will be made of the commencement program. An **order form** for the video is provided with this information. Questions about videos should be directed to NSU TV at (318) 357-4417.

13. **COMMENCEMENT PICTURES:** There will be no picture taking from the arena floor. During the ceremonies, a photographer will be taking pictures as you shake hands with President Webb and again at the bottom of the ramp as you leave the stage. These pictures may be purchased from the photographer. The commencement card with your name and address will be given to him. The photographer will mail you a proof, prices, and information about ordering pictures. You are under no obligation to purchase these pictures.

14. **GUEST SEATING:** There is available seating for your guests in the bleacher areas on each side of the coliseum.

**Please note:** Your guests should be seated no later than 9:45 AM or 2:45 PM, and must remain seated during the ceremony. Guests are not permitted to stand in the aisles or lean on the guardrails.

Please have all guests meet you outside after the ceremony. You will be exiting to the side of the coliseum where you line up.

**Handicapped Seating:** Purple Jacket and Blue Key members will be standing at the doors of the arena to assist with seating. Handicapped seating for those guests who cannot access the bleachers is on the first row of the bleachers on the arena floor. If you have a guest in a wheelchair who needs assistance with seating, please inform a Blue Key or Purple Jacket member at the door.
