1. Log into NSUConnect.

2. Click on the Student link on the Main Menu.

3. Next, click on Student Records.
4. Select Degree Evaluation.

5. Select the Current Term and click Submit.
Note:

If your Degree Evaluation Record shows “⚠️ No current curriculum information was found” and if you are unable to generate a new degree evaluation because curriculum information is not available, you can run a degree evaluation using the “What-if Analysis” option.

6. When the “What-if Analysis” option is selected, select Entry Term and click on Continue.  (Note: Entry Term refers to the catalog year that you entered your program major.)
7. Then, select a major from the drop down menu. (Note: Campus field may remain “None”.)

8. Select the Major from the drop-down menu and click Submit. (Note: Click Add More if you need to add concentration(s) or minor(s)).
9. Select **Generate Request**.

11. When using the “Generate New Evaluation” option: Select the program and enter an anticipated graduation term, then click on Generate Request.

12. When the “What-if Analysis” option is selected, select Entry Term and click on Continue.
13. Next, select a program to be evaluated from the drop down menu and click continue.

14. Then, select a major from the drop down menu. (Note: Campus field may remain “None”.)
15. Final step: Select the Evaluation Term and click Generate Request.

Note: It may take a few minutes for processing once the request is submitted.
