ADVISEMENT

Students who have earned 30 or more credit hours and who have a cumulative grade point average below 2.25 MUST meet with their academic advisor (in person or via telephone or email) before they can register for classes for fall 2010. A hold has been placed on all students’ accounts whose cumulative grade point averages are below 2.25. You may view this hold by logging into the Web for Students system at http://www2.nsula.edu/.

Students with fewer than 30 hours MUST go to their major department and see their advisor for advisement and selection of classes.

NSU highly encourages other students to seek advisement through their major department.

If you do not know who your advisor is, report to the department of your major for assignment of an advisor.
