REGISTRATION INSTRUCTIONS

ADVISEMENT

NSU highly encourages all students to seek advisement through their major department. If you do not know who your advisor is, report to the department of your major for assignment of an advisor.

The following groups of students must meet with their academic advisor (in person or via telephone or email) to obtain an alternate PIN before they will be permitted to register by NSUConnect for the spring 2013 semester:

- All undergraduate students with less than 30 earned hours;
- Students with 30 or more earned hours and less than a 2.25 cumulative GPA;
- All Scholars College students; and
- All student athletes.

ALTERNATE PIN

The alternate PIN allows students to access the registration drop/add services on the NSUConnect system. Once a student logs in with his/her NSUConnect ID and PIN and selects the Registration Drop/Add Class option, he/she is required to enter the alternate PIN before the system will allow registration functions.

The alternate PIN is a randomly generated six-digit number that is unique to the student. Additionally, the alternate PIN is term specific. For example, a student’s alternate PIN for fall will be different from the alternate PIN for spring.

REGISTRATION CANCELLATION FOR A PREVIOUS FINANCIAL BALANCE

Students with a financial balance will be allowed to early register for spring.

STUDENTS WITH BALANCES OF MORE THAN $2000.00

A student who has early registered and owes a financial balance of more than $2000 from a previous semester must pay the previous balance to $2000 or less in order to attend classes. If a student has a financial balance of more than $2000 that is not paid to $2000 or less, early registration will be cancelled on January 11, 2013, prior to the first day of classes.

A student who has early registered or who wants to register but owes a financial balance of more than $2000 from a previous semester and who, because of extenuating circumstances that can be documented, is unable to pay the balance to $2000 or less prior to the first day of classes, may appeal early registration cancellation or to register owing a previous balance of more than $2000 to an appeal committee. Within the appeal documentation, the appellant must demonstrate the ability to pay the previous balance to $2000 or less by the 7th day of the current semester. If the balance is not paid to $2000 or less by the 7th day of the semester, the student will be resigned from all classes and charged 25% of current semester non-refundable charges. Additionally, Installment Plan, Late Registration, and Late Payment Charges will be assessed and Collection Placement and Credit Bureau Reporting submitted in accordance with University policy.

STUDENTS WITH A PREVIOUS BALANCES OF $2,000 OR LESS

A student who owes a financial balance of $2,000 or less from a previous semester does not have to appeal and may register or remain enrolled in classes for the current term. However, the student must maintain an account balance of $2,000 or less beginning the last day of the current semester to avoid future term early registration cancellation or being able to register for future terms. Additionally, Installment Plan, Late Registration, and Late Payment Charges will be assessed, and Collection Placement and Credit Bureau Reporting submitted in accordance with University policy.

VERY IMPORTANT NOTES:

Financial Aid cannot be used to pay a balance greater than $199.99 from a previous semester. In order for a student with a previous balance to receive financial aid for the current term, the student’s previous balance must be under $200.

Financial Aid cannot be used to pay Lab School or CDC balances. These balances must be paid in full in order to clear the registration and transcript holds resulting from this balance on students, faculty, or staff accounts.

ELIGIBILITY STUDENT RESPONSIBILITY

The University holds it to be the responsibility of the student to ascertain whether he/she is scholastically eligible to enroll before he/she registers. Any student uncertain of his/her eligibility should login to NSUConnect and check their student status. The registration of an ineligible student will be cancelled or the student will be resigned from classes without refund of fees.
